

3 GENERATIONS OF LIFEWAVE TECHNOLOGY

All LifeWave Products are FREE from drugs, chemicals and stimulants.

LONGEVITY

LifeWave X39™

X39™ is a STEM CELL ACTIVATION patch elevating GHK-Cu peptides known to enhance stem cell activity and reset 3,000-4,000 genes to a younger and healthier state within 24 hours. Supports cellular repair, relief of minor aches and pains, wound healing, healthy inflammatory response, energy and better sleep.

LifeWave X49™

X49™ elevates AHK-Cu peptides that promote performance, strength and stamina. Supports healthy cardiovascular system, focus, cognitive functions and faster recovery. Increase bone density and promotes lean muscle mass and fat loss. Acts as a Faraday cage to reduce cell phone radiation.

ANTI-AGING

Y-Age Glutathione

Glutathione is the body's master antioxidant and primary antioxidant for detoxification. It provides crucial immune system support. Glutathione patches are clinically proven to elevate glutathione level by 300% on average within 24 hrs.

Y-Age Aeon

Aeon reduces inflammation, cortisol, C-reactive proteins and stress. It elevates superoxide dismutase and balances autonomic nervous system and hormonal production. It is also known as the 'longevity' patch as Aeon activates the peptide in your body that is also found in Royal Jelly.

Y-Age Carnosine

Carnosine protects neurological system, improves bioelectrical properties of organs and promotes overall health and wellness of the brain, heart and muscles. Improves cognitive functions, prevents mental decline and visual degeneration. Enhances athletic performance by enhancing strength, flexibility and stamina. This peptide protects your telomeres.

ALAVIDA Regenerating Trio

Improves the health of your skin from the inside out. 98.6% naturally derived, plant-sourced ingredients. Alavida elevates Epithalamin peptide. This peptide is responsible for vibrant skin, reduces the appearance of fine lines and wrinkles, builds collagen, tightens skin, and evens out skin tone and discoloration. The peptide in Alavida lengthens telomeres which is an indication of longevity.

Nirvana Mood Enhancer System

Elevates healthy production of beta-endorphin to enhance mood without drugs, chemicals, or stimulants. It contributes a positive impact towards a well balanced emotional and mental health.

SP6 Complete

SP6 Complete patch gently stimulates acupuncture points on the body to cause a natural decrease in hunger and sugar cravings - without drugs, stimulants, or needles. SP6 also provides hormone balance and digestive system support.

QUALITY OF LIFE

Energy Enhancer

Energy Enhancer increases beta-oxidation (energy production in the cells), a process that produces more energy from fat burning and by improving mitochondrial functions, an anti-aging benefit. Clinically proven to effectively increase overall energy and endurance naturally without the use of any drugs, chemicals or stimulants.

IceWave

IceWave is a safe, powerful, and effective solution for all levels of pain. Using the healing properties of light, IceWave is designed to provide fast relief at the source of discomfort. IceWave is drug free, non-addictive and has no harmful side effects.

Full Body Regimen

Silent Nights®

Silent Nights regulates the natural and healthy production of melatonin without the use of drugs, chemicals or stimulants. Clinically proven to improve the quality and length of sleep without causing that groggy feeling the next day.

VETERINARY PAIN

AcuLife®

Can be placed directly on the area of concern or on the pet's collar

AcuLife is a safe, powerful, and effective pain management solution for horses and other pets. Designed to reduce inflammation and provide fast relief at the source of discomfort and pain. Unlike most pharmaceutical pain killers, AcuLife is drug free, non-addictive and has no harmful side effects. No veterinary prescription is required.

AROMATHERAPY MIST

Enhances energy, sleep, increases testosterone and oxytocin for tissue repair. Infused with a science backed blend of natural ingredients. Proprietary energized and structured water.

Spray on wrist and inhale to enjoy the scent. Use Shine in the Morning and Dream in the Evening before bed.
